

# CHI X Φ PHI

*Authentic*

OCTOBER 2012

*The men of Chi Phi during a chapter meeting.*

## THE ALPHA'S AGENDA

The social life of a collegiate student has been changing from generation to generation, but with the introduction of social media into our society, college life has changed forever. Face-to-face conversations are minimal in our day to day lives and have been superseded by Facebook messages, tweets, emails, and text messages. Along that same line, fewer students come into school with the proper interpersonal communication skills to successfully interview, speak to companies at job fairs, or even relate to a woman on a date. Thus, it is important to build these life-long skills through a life-long brotherhood. That being said, there are four reasons men join social fraternities on this campus: Leadership, Scholarship, Brotherhood, and Service. These experiences help set men graduating from college apart from one another. As a Chi Phi, it is my highest priority to build better men in this world, and by building those communication skills, holding a higher GPA than non-affiliates on campus, socializing with other fraternities and sororities, offering over 15 leadership positions to our men, and the opportunity to enhance their résumé, Chi Phi is here to do just that. Build a better man.

## CHI PHI NOW HAS 17 MEMBERS!

It's an exciting time for us here on campus. As we get ready to head into active recruiting next semester, we are happy to announce we have 6 great men who have joined our organization, bringing us to a total of 17! These men are dedicated and will definitely help take Chi Phi to where we want it to be. Due to the efforts of our men recruiting them, we were informed that we were ranked in the top 5 in the IFC for recruiting the last two terms. This was a great accomplishment and we are proud to continue achieving success as we prepare for active recruiting in the coming months.

Fratnentially, Billy Brown Chapter President

## What's Been Going On:

### Initiation:

One of the most exciting times thus far in the organization was initiation. On September 22, we traveled to Ohio Wesleyan University for the process. The brothers at Wesleyan were very helpful and it was great meeting people from within the Fraternity at another college.

### Flag Football:

We started playing in our first intramural sport as an organization this month. We are playing in the Fraternity league and are currently 1-1. You can see some of the team pictured below.

### Homecoming Week:

Homecoming week was a huge success. During the events, we were paired with Alpha Tau Omega, Sigma Pi, and the sorority Chi Omega. This was a very fun week and helped us get our name out there on campus even more.

## IFC INFO SESSION/RECRUITING EVENT (10/21/12)

As part of a recruiting event, a few of the men attended an info session on behalf of the IFC. At this info session, students were educated about Greek Life as well as the recruiting process. Afterwards, they were able to walk around and visit representatives from each fraternity. Chi Phi's table had many great conversations with men who seemed genuinely interested in our organization. These men come from various backgrounds, but share the common aspect of wanting to join a great fraternity. As it was explained to them what Chi Phi was all about, they seemed really interested in our group of brothers and what we stand for. Active recruiting begins next semester in the New Year. We hope to see these guys and plenty more while building the number of high quality gentlemen we bring into our brotherhood. We are very excited to get to work and we are expecting great results during spring semester.

## To the Alumni:

---

We just wanted to take a moment to thank you for all of your support and advice. We greatly appreciate the efforts of everyone who has helped us thus far. These last few months have been extremely busy and challenging, but we are very excited and determined to make this organization a “household” name on campus. Our goal is simple: to make Chi Phi one of the best Fraternities this campus has ever had. The men within our organization are truly proud to be a member of Chi Phi and we will continue to build off of that. The men that we will bring into this organization will be high quality guys who want to be leaders within their community. This is without a doubt one of the greatest opportunities any of us have ever had. We know the past history of the Fraternity on campus and we can assure you that we will exceed any and all expectations. We definitely want to make this head in the right direction. Thank you again for all of your contributions and support. We look forward to meeting as many of you as possible in the near future. If any of you have any questions or concerns, or just want to get in reach the men here, feel free to contact us. We are here for you and would be more than happy to assist you in anyway possible. Please do not hesitate to ask. Thanks again!

-The men of Chi Phi at The Ohio State University

### New Updates:

Recently, we elected members to available leadership positions. From Left to right:

Back Row: Ryan Collier (Zeta/Recruitment Chair), Matt DiThomas (New Member Educator), Nick Galouzis (Academic Chair), Eric Thompson (Social Chair), Matt York (Accreditation Char), Tyler Lash (Philanthropy Chair).

Front Row: Jason Paulovich (Apparel Chair), Brandon Cox (Brotherhood Chair), Alex Kuniega (Intramurals Chair).
